Air Quality Forecast for the UK

Issued by the Met Office

Today: Strengthening winds will be followed by a band of heavy rain moving south across the UK later in the day. This will ensure air pollution levels remain Low on Boxing Day.

Tomorrow: Cold, clear weather for many, but also occasional wintry showers with snow across hills, mainly in the north. Air pollution levels will remain Low.

Outlook: Cold weather continuing, with sunny spells but also wintry showers at times. Air pollution levels remaining Low through the period.
